## ONLINE SUPPORT IN VIEW OF COVID-19

*Performance of any Business depends on skills of CEO / UNIT HEADS - Effective & Efficient Management. Every effective action or performance depends on TOP & it gets percolated down. WE ARE THERE TO ASSIST YOU FROM TOP TO BOTTOM.*

*Textile Industry is oldest industry in India & has been passing through ups & down for several years. It is having varieties of products & hence many variables. As long as human being is wearing cloth it will flourish provided manage effectively as per recent trends & fashion. It has been also observed that today's young & efficient CEOs are not getting attracted towards Textile Industry may be because of low returns or more stress- full job. And hence we offer our services to groom effective CEO / Unit Head for your unit by simple & effective systems.*

*We design simple & effective reports after studying present system for CEO. Once these reports are set, we monitor weekly & send our feedback to CEO. Similarly, we review performance (KRA) of each HOD & submit our report to CEO every month. We carry out MIS Review every month for 1st 12 months just to guide CEO.*

*We have experts who are having hands on experience of actual managing reputed textile units successfully.*

- Development of HR Process
